While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Brentwood Park is a scenic area with hilly topography and narrow winding roads. The following Conditions must always be followed when filming in this area and are in addition to all general filming requirements.

- **Cast and crew may not park on area streets.** Off street parking must be provided for all personal vehicles.
- **All equipment vehicles must be parked on one side of the street only**. *A parking plan must be submitted to the Brentwood Park Homeowner's Association representative, for review, and to FilmL.A. for approval and any requested posting.*

- **Production companies must provide all cast/crew members with identification badges.** The badges must be readily visible and must be worn at all times when in the Brentwood Park area.
